

October 2023

The Municipality of Anchorage (MOA) is planning to upgrade E. 42nd Avenue between Lake Otis Parkway and Florina Street. The project will be constructed in two phases as shown on the map (see reverse). Improvements are expected to include:

- New road foundation
- New asphalt pavement
- New storm drain system
- New pedestrian facilities
- Improved street lighting
- Phase 1 - water line replacement

OPEN HOUSE #4: October 18, 2023, 4:30 pm - 6:30 pm

University Baptist Church, 4313 Wright Street

Join us at the next public meeting to discuss the 95% Pre-Final Design for Phase 1. Come and Ask questions and share your comments with the project team.

The MOA has contracted with CRW Engineering Group, Inc. to provide engineering and design services. The project is funded through the Final Design for Phase 1 and 65% Design for Phase 2. No funding for construction has been received at this time. We recently completed the 95% Pre-Final Design for Phase 1. It can be downloaded for review and comment on the project website.

YOU ARE INVITED!
